Hot Spot Method

Summary

(11) 08/005

The target has elements of;

Mountain, energy, motion, biologicals, manmade, ~~water~~
and water.

▣ The mountain is;

high

close

"up there!"

wide

up & down

The energy is;

wild

torrid

charged

"Wow!!"

uncontrolled

of mother nature

The motion is;

shaking

wild

all around

up

down

side to side

quaking

(12) 081005

The biologicals are:

people

elders

many

modern

~~men~~

men?

women

in structure

happy

interested

remembering

pondering

gazing

The manmade is:

long

wide

opened at ends

over the top

wooven

plastic fibered

stretched

canopy-ish

white

large

The water is;

liquidish

~~cast~~

in motion

stirred

(13) 081005

The water is (continued)
energized
the cause of the event, in part

The second water is
surrounding platform
calm
blue
near shore

Other things I found were;
a platform that the other manmade sits on
cloudiness
comfortable temperatures
lightning that happened in the past, that may have been part
of the event cause.

This was outside
